## MAXFLI® TOUR FEATURES

- Cast Urethane Cover
- Soft Feel, Enhanced Greenside Spin and lasting durability
- Polyhedron 318 Dimple Design
- Advanced aerodynamic dimple pattern for optimal ball flight and increased distance
- High Speed Mantle
- NEW! High Flexural Modulus mantle layer delivers increased distance and speed
- Center-Of-Gravity balanced
- Patented balancing process provides unmatched precision during manufacturing, delivering superior consistency and accuracy
- Compression: 95

1 Dozen | White | Yellow | Quad Align **MXB0045**

## MAXFLI® TOUR S FEATURES

- Cast Urethane Cover
- Soft Feel, Enhanced Greenside Spin and lasting durability
- Polyhedron 336 Dimple Design
- Advanced aerodynamic dimple pattern for optimal ball flight and increased distance
- High Speed Mantle
- NEW! High Flexural Modulus mantle layer delivers increased distance and speed
- Low Compression Core
- Delivers Soft feel on all shots without sacrificing ball speed
- Center-Of-Gravity balanced
- Patented balancing process provides unmatched precision during manufacturing, delivering superior consistency and accuracy
- Compression: 85

1 Dozen | White | Yellow | Quad Align **MXB0046**

## MAXFLI® TOUR X FEATURES

- Cast Urethane Cover
- Soft Feel, Enhanced Greenside Spin and lasting durability
- NEW! Polyhedron 336 Dimple Design
- Advanced aerodynamic dimple pattern for penetrating ball flight and increased distance
- Dual Ionomer Mantle
- High Flexural Modulus mantle with greater compression increases speed and distance
- High Energy Core
- Produces consistently fast ball speeds
- Center-Of-Gravity balanced
- Patented balancing process provides unmatched precision during manufacturing, delivering superior consistency and accuracy
- Compression: 100

1 Dozen | White | Yellow | Quad Align **MXB0047**

## MAXFLI® STRAIGHTFLI

### FEATURES

- Independently robot tested to deliver straighter flight
- Next Generation Core designed for faster ball speeds and longer distance
- Lower compression for a softer feel
- Cube octahedron design with 374 large and small dimples in a stacked and packed pattern optimizes launch and lift for a straighter flight
- Enhanced alignment aid • Pack of 12 balls • Compression: 85

1 Dozen | Gloss White | Gloss Yellow | Matte Green | Matte Orange **MXB0053**

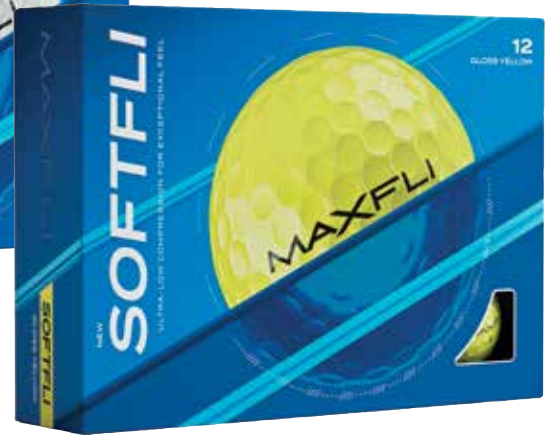

## MAXFLI® SOFTFLI

### FEATURES

- Next generation core offers faster balls speeds for longer distance
- Low compression core reduces spin for longer and straighter shots
- Ultra-low compression for an exceptionally soft feel
- Aerodynamic icosahedron dimple pattern = higher flight/longer distance
- Enhanced alignment aid • Compression: 45

1 Dozen | Gloss White | Gloss Yellow

**MXB0051**

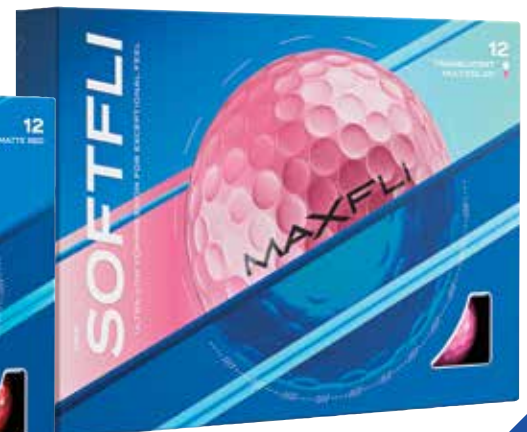

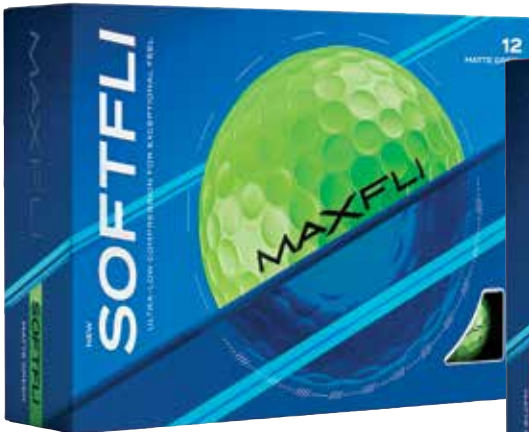

## MAXFLI® SOFTFLI MATTE

### FEATURES

- Next generation core offers faster balls speeds for longer distance
- Ultra-low compression for an exceptionally soft feel
- Low compression core reduces spin for longer and straighter shots
- Enhanced alignment aid
- Aerodynamic icosahedron dimple pattern for higher flight and longer distance
- Compression: 45

**MXB0051** 1 Dozen | Matte Green | Matte Red | Matte Translucent

## MAXFLI® TRIFLI

### FEATURES

- Low compression core
- Highly resilient mantle layer
- Incredibly soft ionomer cover
- Icosahedron dimple pattern
- Enhanced alignment aid
- Compression: 80

1 Dozen | White **MXB0055**

## MAXFLI® REVOLUTION ONE

### FEATURES

- Next generation core for softer feel and distance
- Aerodynamic icosahedron Dual Radius dimple pattern for higher flight and longer distance
- Dupont Surlyn cover material for durability and soft feel

1 Dozen | White **MXB0032**

## TOP FLITE®

GAMER

## TOP-FLITE® GAMER

### FEATURES

- A power trio of incredible distance, soft feel and ultimate control engineered to equip golfers with accuracy off the tee and precision around the green
- Dimple in Dimple Aerodynamics help maintain lift to generate maximum carry and distance
- Soft, Ionomer cover provides elevated greenside control and improved touch
- DuPont HPF mantle layer positioned between the core and cover reduces long game spin for accuracy
- Larger, high-speed core construction optimizes lower compression for softer feel and ultimate distance off the tee
- Combination of the re-engineered core, mantle layer and cover formulation elevates playability
- 3-piece construction blends feel, control and distance
- Compression: 70

1 Dozen | White | Yellow

**TFB0048**

## TOP-FLITE® XL CONTROL

### FEATURES

- Large High-Speed Core optimizes compression for maximum ball speeds and distance off the tee
- Re-formulated softer Ionomer cover increases spin, promoting exceptional control around the greens
- Distance Dimple technology promotes high launch for remarkable performance and playability
- Engineered to equip golfers with a dynamic duo of massive distance and greenside control
- Compression: 80

Gloss White | Gloss Yellow | Gloss Pink | CLB | Multi **TFB0050**

## TOP-FLITE® XL DISTANCE

### FEATURES

- Large High-Speed Core optimizes compression for maximum ball speeds and distance off the tee
- Re-formulated softer Ionomer cover increases spin, promoting exceptional control around the greens

- Distance Dimple technology promotes high launch for remarkable performance and playability
- Engineered to equip golfers with a dynamic duo of massive distance and greenside control
- Compression: 90

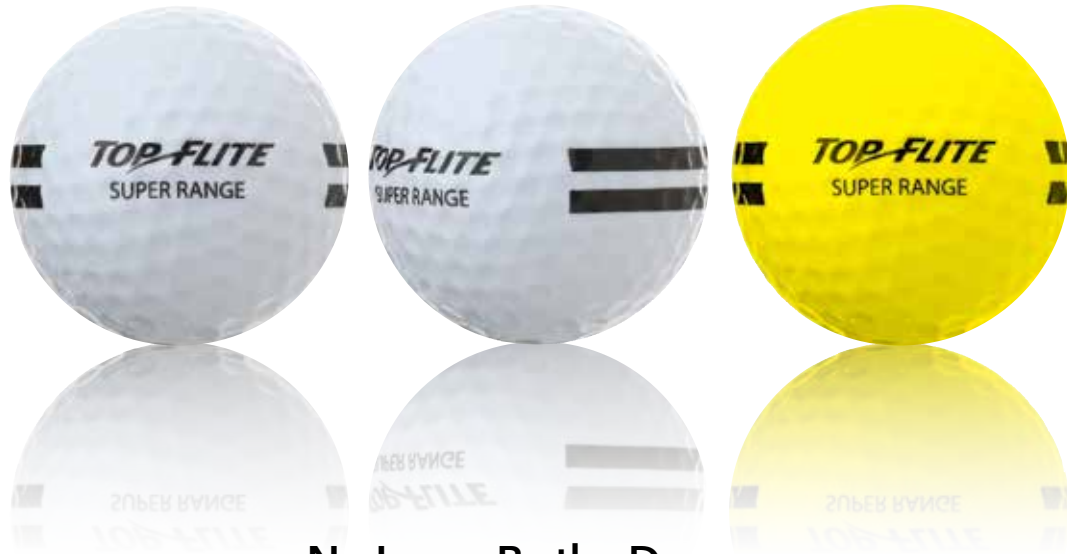

Gloss White | Gloss Yellow | CLB **TFB0051**

# SUPER RANGE GOLF BALLS

Available Full or Limited Flight.  
White or Yellow

No Logo: By the Dozen  
With Logo: 1,000 Dozen Minimum order  
(Call for price details)

## TOP-FLITE® SUPER RANGE

The Top-Flite Super Range Golf Balls have been the best selling and Most popular range ball for decades. These authentic, brand new, two piece range balls are extremely durable and yet produce a softer feel than other similar range balls. The Top-Flite Super Range Balls also feature a Polyslick coating that help keeps dirt and Mud from sticking to the ball for easier cleaning. Great for filling up your shag bag or stocking your driving range with quality golf balls.

12 Pack Gloss White **TFRB001**

12 Pack Gloss Yellow **TFRB001YEL**

## RESTRICTED FLIGHT GOLF BALLS

The Top-Flite Super Range Golf Balls have been the best selling and Most popular range ball for decades. Now available in a restricted flight version. The restricted flight range balls produce identical hooks and slices as a standard golf ball but travel only 30% of the distance by implementing proprietary core Materials to produce lower ball speeds. Ideal for practice when space is limited. These authentic, brand new, two piece range balls are extremely durable and yet produce a softer feel than other similar range balls. Great for filling up your shag bag or stocking your driving range with quality golf balls.

12 Pack | White

**GS1014**

## MAXFLI® 23" CHIPPING NET

Practice your chipping skills in your backyard with the Maxfli® 23" Chipping Net. This training aid features 3 different chipping brackets to help you with different situations and challenges. The net easily goes from 23" in diameter to 7" in diameter, allowing for personal customization. Designed to help improve your chipping and short wedge shots, this net prepares you for the fairway.

### FEATURES

- Designed to improve chipping and short wedge shots
- Net easily goes from 23" diameter to 7" diameter
- Features 3 chipping brackets for multiple challenges

**MX136**

## MAXFLI® DUAL PRACTICE CHIPPING NET

The Dual Practice Chipping Net training aid is a must-have for serious golfers. Features a side with 1 large opening for general target practice and a side with 3 smaller openings for precision practice. Heavy-duty stitching helps this net stand up to the most intense training.

The collapsible design allows for compact storage

### FEATURES

- Two Sided net with 1 large opening for general target practice and 3 smaller openings for precision practice.
- An internal net catches all balls successfully hit into the openings
- Compact storage

**MX362**

## MAXFLI® TWIN POLE ALIGNMENT SYSTEM

Make progress on the range with the Maxfli Twin Pole Alignment System. With these alignment sticks and the included instructions, you'll be able to improve all aspects of your game from your putting stroke to your full swing motion.

- Improve the form and stance of your game
- Includes practice exercises and instructions
- Helps with everything from putting stroke to full swing motion
- Includes 2 alignment sticks

**MX467**

## MAXFLI® FLAG POLE WITH CUP

The Maxfli Flag Pole with Cup sets up easily in your yard so that you can practice chipping and approach shots without having to drive to the range. Flag stick is collapsible for easy storage and can be used with or without the cup.

### FEATURES

- Improve your chipping accuracy
- Easily sets up in minutes
- 6', 6" flag stick collapses into 3 pieces for easy storage
- Flag can be used with or without cup

**MX108**

## MAXFLI® DELUXE SHAG BAG

Stop straining your back collecting practice golf balls at home with the Maxfli Deluxe Shag Bag. Featuring a molded handle and long retrieval tube for easy handling. The large storage bag has a full-length side zipper for removing golf balls. Designed to make clean up and collection easy.

### FEATURES

- Eliminates back strain when collecting practice golf balls
- Molded handle for easy maneuvering
- Long retrieval tube keeps bending to a minimum
- Full-length zippered compartment for easy golf ball removal
- Designed to make clean up and collection simple

**MX145**

## MAXFLI® BALL PICK-UP

This easy-to-use device attaches to the butt end of standard putter grips for at-once usability. Retrieve your golf ball without bending down. A durable plastic construction ensures this device adds convenience for rounds to come.

### FEATURES

- Designed to help golfers grab golf ball without bending
- Easily attaches to the butt-end of standard putter grips
- Fixed 3-prong design grabs your golf ball from the hole
- Durable plastic construction for long-lasting convenience

**MX365**

## MAXFLI® WEIGHTED SWING TRAINER

Develop proper swing technique with the Weighted Swing Trainer. Designed to touch on aspects of the swing, this trainer teaches proper grip and wrist action, while also building strength to increase swing speed. A shaped grip forces hands into the proper grip position for visual reinforcement. The weighted design works to build strength and teach proper wrist action. Work toward a perfect golf swing with the Maxfli® Weighted Swing Trainer.

### FEATURES

- Shaped grip promotes correct hand position
- Weighted design builds strength for increased swing speed
- Designed to teach proper wrist action throughout stroke

**MX235**

## MAXFLI® ALUMINUM TUBE SHAGGER

Make progress on the range with the Maxfli Twin Pole Alignment System. With these alignment sticks and the included instructions, you'll be able to improve all aspects of your game from your putting stroke to your full swing motion.

- Easily recover golf balls without bending over
- Reduces back and knee strain
- Durable metal tube construction
- Great for storing balls between practice sessions
- Holds up to 21 golf balls

**MX640**

## MAXFLI® GOLF BALL TUBE SHAGGER & PRACTICE BALLS

- Easily recover golf balls without bending over
- Reduces back and knee strain
- Great for storing balls between practice sessions
- Includes 22 foam practice golf balls
- Dual-color reduced flight distance ball design

**MX638**

Each bright yellow practice ball is designed to fly like a real golf ball to promote continuous improvement and instant feedback. A durable wire range basket comes included and adds quality to the Maxfli® Foam Ball Practice Set.

### FEATURES

- Practice balls feature dimpled design to simulate actual golf balls
- Soft foam construction suitable for indoor and outdoor use regular size practice balls
- Designed to simulate the flight of an actual golf ball
- High visibility yellow coloration for easier tracking
- Durable wire basket for easy transportation

**MX336**

## MAXFLI® RANGE GOLF BUCKET

Keep your golf balls at hand during practice with the Maxfli® Range Golf Bucket. This ball bucket fits all size golf balls and regular size practice balls and comes designed with a flat bottom to prevent from tipping. Crafted with a handle, this bucket is easy and convenient to carry to and from the range, and the durable finish keeps this bucket in pristine shape.

### FEATURES

- Handle for easy carry
- Stores all size golf balls and regular size practice balls
- Does not include golf balls

**MX225**

## MAXFLI® PRACTICE BALL BUCKET 48-PACK

Improve your hitting skills off the course with the Maxfli® 48-Pack Yellow Practice Ball Bucket. Comes with bucket for easy storage. The lightweight balls simulate the flight of a real golf ball, providing you with the realistic practice you need to perfect your swing.

### FEATURES

- Includes 48 yellow practice balls
- Practice balls designed to simulate flight of actual golf ball
- Plastic bucket allows for hassle free storage and mobility

**MX414**

## MAXFLI® PUTTER HOLDER

Keep your putter at hand as you approach the green while using the Maxfli® Putter Holder. Designed to securely hold your putter outside of your golf bag, this clip provides a storage alternative to putters with larger oversized grips. A durable plastic construction ensures the Maxfli® Putter Holder will add convenience to your game for rounds to come.

**MX370**

## MAXFLI® SCORE CADDY

Constructed of durable plastic material, this compact device comfortably fits into your hand and tracks strokes taken, holes played and total score. A heavy-duty clip reliably secures the device to your belt or golf bag, allowing you to effortlessly keep tabs on your round.

**MX367**

## MAXFLI® METAL BALL MARKER & HAT CLIP SET

The perfect addition to your golf accessories. The hat clip easily attaches to the brim of your hat, and holds two ball markers. Both markers conveniently clip on and off the hat clip so you can use them on the go without having to dig through your golf bag.

**MX164**

## MAXFLI® GOLF BAG COOLER

Keep your favorite beverages ice cold from the 1st tee to the 18th green. Capable of holding up to 10 cans plus ice. You will never run out of refreshments - even during that never ending round. Easily clips onto your golf bag or cart for added convenience.

**MX207**

## MAXFLI® DELUXE DIVOT TOOL WITH MAGNETIC BALL MARKER

Repair ball marks after sticking the approach shot with the Maxfli Divot Tool. An ergonomically designed grip handle provides a comfortable grip as you repair your ball mark. The Divot Tool attaches to your belt to keep your pockets clear. A magnetic ball mark is attached for easy and quick access.

**MX115**

## MAXFLI® METAL RETRACTABLE DIVOT TOOL

Clean up any divots quickly and efficiently with the Maxfli® Metal Retractable Divot Tool. Its foldable design allows you to safely keep it stored in your pocket during play, and the two prongs easily emerge by pushing the button. The oversized handle provides comfort as you clean the green or cleats, making this divot tool the perfect addition to your golf accessories.

### FEATURES

- Foldable design allows for safekeeping
- Oversized handle offers comfort
- Push button opens divot tool for use

**MX220**

## MAXFLI® FLUORESCENT BALL MARKERS 12-PACK

Be prepared at all times to mark your ball during a round of golf with the Maxfli® Fluorescent Ball Markers. This pack comes with 12 neon-colored ball markers and gives you multiple colors to choose from. As the sun begins to set, don't worry about not finding your ball marker, as it works well with little light.

**MX118**

## MAXFLI® WARM UP WEIGHT

As you prepare to begin your long day at the course, make sure to warm up with the Maxfli® Warm Up Weight. The ring-shaped design easily fits around the shaft and grip and slides down to the club. The extra weight on your club also increases your flexibility and strength, which helps lead you to gain better distance and control. When you warmed up, easily store it in your golf bag.

**MX120**

## MAXFLI® GOLFER'S TAPE

When you're not in the mood to wear gloves, easily substitute them for the Maxfli® Golfer's Tape. This easily adheres to your fingers to protect against blisters and better your grip without leaving sticky residue behind. The stretch conforming elastic material offers a customizable, comfortable fit, perfect for utilizing at the range or on the course.

**MX140**

## MAXFLI® SHARPIE PENS

Make sure to identify your golf ball among course mates' with the Maxfli® Sharpie Pens Pack. Pack includes 1 red and 1 black sharpie pens. The hooks on the caps easily attach to a carabineer clip. These pens can also be used for easy alignment on the putting green so you can perfect your game.

**MX131**

## MAXFLI® LEAD TAPE

Work on perfecting your swing by adding the Maxfli® Lead Tape to your clubs. This tape easily sticks to any club, adding weight. This slows down your swing, allowing you to correct any flaws in your form, and it helps control the flight of your drive. This is perfect for practicing at the range to learn more about how you can better your game.

**MX123**

## MAXFLI® GOLF TEE CARRIER

Avoid digging through your golf bag before you tee off by using the Maxfli® Golf Tee Carrier. This golf accessory comes with 12 white tees ready for use, and three ball markers so you can quickly and easily continue your game. The keychain clip at the top easily attaches to your golf bag or pant belt loop for quick and easy access.

Focus on the game at hand with this useful golf tee carrier.

**MX209**

## MAXFLI® DUAL WIRE BRUSH

*This cleaning accessory conveniently clips onto your golf bag so you can grab it as needed. A nylon bush on one side takes care of your drivers and irons, a stainless steel brush on the other side keeps your golf cleats clean from the green's dirt and grass.*

### FEATURES

- Clips onto your golf bag for added
- Nylon brush for drivers and irons
- Stainless steel brush for shoe cleats

**MX121**

## WORLD OF GOLF BALL RETRIEVERS

With the World of Golf Telescoping golf ball retriever no ball gets left behind! Easily secures regulation balls, and the extended length is ideal for rescuing golf balls out of water and other hazards. Compact design improves portability on the course, and the ribbed handle provides excellent grip, making ball retrieval that much more convenient.

### FEATURES

- Lightweight and compact
- Available in 8' (27" retracted)
- Ribbed handle

**GW0059**

## MAXFLI® PREMIUM ACCESSORY PACK

### FEATURES

- Premium dual-wire brush
- Metal flip-action divot tool
- Hat clip with ball marker
- 6 high-performance tees

**MX650**

Hybrid  
**MX488**

## MAXFLI® NEOPRENE IRON HEADCOVERS

Maintain the like-new appearance of your irons and silence rattling clubs with the Maxfli Plush Iron Covers. These specially designed covers offer easy slide-on, slide-off protection so they don't hinder access to your clubs. Embroidered numbers make it easy to identify your clubs while still in your bag. Set includes headcovers for #3 iron through sand wedge.

### FEATURES

- Protect your clubs in style
- Keep your irons looking like-new
- Silences rattling clubs when riding on a cart
- Easy, slip-on slip-off design
- Don't hinder access to clubs
- Includes headcovers for 3 - SW
- Embroidered numbers for easy identification

**MX144**

## MAXFLI® VINTAGE PU LEATHER BLADE & Mallet PUTTER HEADCOVERS

The Maxfli Vintage PU Leather Blade Putter Headcover features a premium, secure fit coupled with a classic look that will never go out of style.

### FEATURES

- Leather PU construction with a soft, protective inner lining
- Velcro closure for secure fit
- Fits most blade style putters

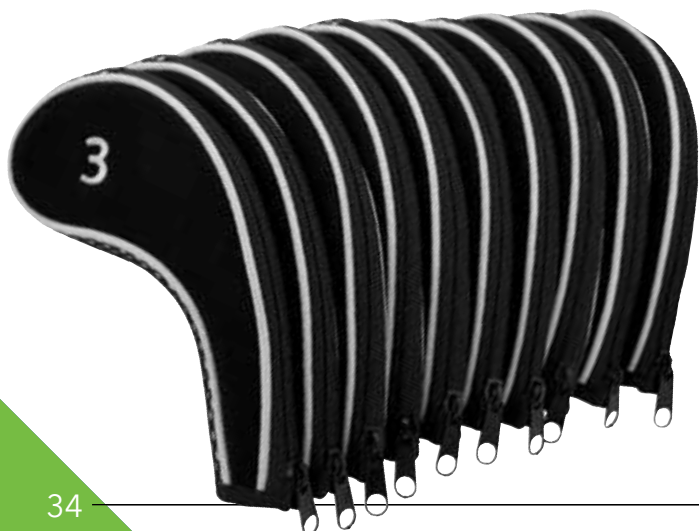

**MX501**

The Maxfli Vintage PU Leather Mallet Putter Headcover features a premium, secure fit coupled with a classic look that will never go out of style.

### FEATURES

- Leather PU construction with a soft, protective inner lining
- Velcro closure for secure fit
- Fits most mallet style putters

**MX502**

## MAXFLI® DELUXE ZIPPERED IRON COVERS

Keep your gear protected by using the Maxfli® Deluxe Zippered Iron Covers. Equipped with 10 covers, you can easily keep all your clubs protected, and the numbers at the top of each cover helps you to easily identify which iron you would like to use next.

### FEATURES

- Oversized, padded iron clubs
- Features numbers at top for easy identification
- Black design with contrast trim
- Accommodates all iron types
- Zipper closure

**MX134**

## MAXFLI® PERFORMANCE SERIES LOW RESISTANCE GOLF TEES

Maximize distance and accuracy on every tee shot with Maxfli® Performance Series Low Resistance Golf Tees. This combo pack features tees designed for use with metalwoods and irons for targeted performance. The 4-prong design reduces club face contact and golf ball drag for maximized distance and accuracy from the tee. Optimal Launch System cues along the tee shaft to help golfers achieve consistent height and trajectory.

### FEATURES

- 4-prong design reduces club face contact and golf ball drag
- Cues along the tee shaft to help golfers achieve consistent height

2 3/4" **MX374** | 3 1/4" **MX375**

## MAXFLI® PERFORMANCE SERIES LOW RESISTANCE TRANSLUCENT GOLF TEES

Maximize distance and accuracy on every tee shot with Maxfli® Performance Series Low Resistance Golf Tees. This combo pack features tees designed for use with metalwoods and irons for targeted performance. The 4-prong design reduces club face contact and golf ball drag for maximized distance and accuracy from the tee. Optimal Launch System cues along the tee shaft help golfers achieve consistent height and trajectory.

### FEATURES

- 4-prong design reduces club face contact and drag for maximized distance and accuracy
- Optimal Launch System features black cues on tee to promote consistent height and flight
- Bury the bottom band for high-launch; middle band for mid-launch; top band for low launch
- Vibrant blue, green, yellow and orange allow for easy retrieval
- Pack includes 40 - 2 3/4" tees and 10 - 1 1/2" tees

2 3/4" **MX376** | 3 1/4" **MX377**

## MAXFLI® PRONGED HIGH-VISIBILITY GOLF TEES

Maximize performance from the tee box by playing Pronged 2 3/4" High Visibility Golf Tees. Each tee features a low drag design engineered to promote increased accuracy and unrivaled distance. The durable plastic construction allows each tee to last longer than average wooden tees for repeated use. An assortment of high visibility green, orange, and yellow colors ensures you'll find the Maxfli® Pronged 2.75" Golf Tee after you smoke your shot.

### FEATURES

- Low drag design promotes increased accuracy and distance
- Constructed of durable plastic material suitable for repeated use
- High visibility pack includes bright green, orange, and yellow colors
- Tees measure 2 3/4" in length
- 40-pack

2 3/4" **MX323**

## MAXFLI® MULTI LENGTH RUBBER RANGE TEES

Ideal for practicing at the range or in your backyard, the Maxfli® Rubber Range Golf Tees make the perfect addition to your practice accessories. The rubber material works best on turf mats or a flat surface, and you can properly adjust the height of your ball off the tee to perfect your hitting.

**MX125**

## MAXFLI® TEES

The Maxfli® Golf Tees Pack comes with 200 pieces to last you through multiple rounds of golf. For a more enjoyable day on the fairway, the longer tee length enables you to pull out your driver head or push the tee further into the ground to accommodate your iron club.

2 3/4" **MX509**

## SOFTSPIKES PULSAR FAST TWIST GOLF CLEATS

Fast-Twist Insert System, the lightest weight cleat changing system in golf, was designed to make cleat changing quick and easy. A simple quarter turn of a cleat wrench dead-locks cleats into place with a double click, while a reverse quarter turn unlocks the cleats for quick changing. A patented "positive stop" lets golfers know when the cleat is fully installed.

800 Count Box **PS0209**  
Bag **PS0004**

## SOFTSPIKES STEALTH PINS GOLF CLEATS

The Softspikes Stealth Cleats is offered exclusively in the PINS insert system. The low profile design allows golfers to fall closer to the ground and harness their highest level of balance and stability. Multi-material cleats with advanced rotational design to counteract the forces seen during impact.

Bag **PS0111**

## SOFTSPIKES PULSAR PINS GOLF CLEATS

Available in 400ct Retail Display Bowl, the Pulsar PINS Golf Cleats are the ultimate in comfort and traction. PINS™ is the NEW Performance INsert System, developed by Softspikes®. This revolutionary new insert system will provide golfers with the immediate feedback required to develop a more consistent swing.

400 Count Bowl **PS0210**

## SOFTSPIKES SILVER TORNADOE TOUR LOCK GOLF CLEATS

Available in bags, 400ct counter top bowls and a 800ct refill box. Features the Tour Lock insert system, which utilizes Cross System Protection (CSP) assuring that the only cleats with CSP can be installed. The Silver Tornado cleats are backward compatible and will fit into any Fast Twist, Tri-Lok, or Slim-Lok shoe receptacle.

## BLACK WIDOW CLASSIC FAST TWIST GOLF CLEATS

Available in bags, 400ct counter top bowls and a 800ct refill box. The dynamic movement of DCT gives Black Widow™ exceptional grip, and allows the cleat to flex on putting surfaces for unmatched green friendliness. Provides best-in-class

traction and comfort for golfers. During the past decade, dozens of competitive plastic cleats have come and gone in the industry, but none have come close to achieving the popularity and success of Black Widow, both on a professional and an amateur level.
